

Our Mission

The Victory Lamb & Goat Camp happens every summer in June at the McCurtain County Fairgrounds in Idabel, Okla. This camp is for FFA and 4-H members and parents who want to learn more about their projects to become more competitive in the show ring. In 2005, the camp expanded to include goats.

The camp is organized and sponsored by the Haworth, Oklahoma FFA Chapter. Attendees experience three days of intense instruction which includes: animal nutrition and feeding; animal health and welfare; clipping, grooming and show day preparation; showmanship and show ring techniques and ethics.

With at least three practice shows each day, this camp is a great way to start the year. Students are divided according to experience level to get the specific, individual teaching they need.

This camp is a great opportunity to meet others, learn more about sheep and goats, have fun and get the edge on the competition!
